FOURTH: The total number of shares of capital stock of all classes which this Corporation shall have authority to issue shall be one billion two hundred and five million (1,205,000,000) shares, consisting of one billion two hundred million (1,200,000,000) shares of Common Stock of the par value of one dollar (\$1.00) per share, amounting in the aggregate to one billion two hundred million dollars (\$1,200,000,000), and five million (5,000,000) shares of Preferred Stock of the par value of one dollar (\$1.00) per share, amounting in the aggregate to five million dollars (\$5,000,000).

The holders of the Common Stock shall be entitled to one vote for each share of Common Stock registered in the name of such holder, and there shall be no cumulative voting in elections for directors. The holders of the Common Stock shall be entitled to such dividends as may from time to time be declared by the Board of Directors, but only when and as declared by the Board of Directors out of any funds legally available for declaration of dividends, and subject to any provisions of this Certificate of Incorporation, as amended from time to time, or of resolutions of the Board of Directors adopted pursuant to authority herein contained, requiring that dividends be declared and/or paid upon the outstanding shares of Preferred Stock of any series or upon the outstanding shares of any other class of capital stock ranking senior to the Common Stock as to dividends as a condition to the declaration and/or payment of any dividend on the Common Stock; but no such provisions shall restrict the declaration or payment of any dividend or distribution of the Common Stock payable solely in shares of Common Stock. In the event of

the liquidation, dissolution or winding up of the affairs of the corporation, the holders of the Common Stock shall be entitled to share pro rata in the net assets available for distribution to holders of Common Stock after satisfaction of the prior claims of the holders of shares of Preferred Stock of any series and shares of any other class of capital stock ranking senior to the Common Stock as to assets, in accordance with the provisions of this Certificate of Incorporation, as amended from time to time, or of resolutions of the Board of Directors adopted pursuant to authority herein contained.

The Board of Directors is hereby authorized from time to time to provide by resolution for the issuance of shares of Preferred Stock in one or more series not exceeding the aggregate number of shares of Preferred Stock authorized by this Certificate of Incorporation, as amended from time to time, and to determine with respect to each such series, the voting powers, if any (which voting powers if granted may be full or limited), designations, preferences, the relative, participating, optional or other rights, and the qualifications, limitations and restrictions appertaining thereto, including, without limiting the generality of the foregoing, the voting rights appertaining to shares of Preferred Stock of any series (which may be one vote per share or a fraction of a vote per share, and which may be applicable generally or only upon the happening and continuance of stated events or conditions), the rate of dividend to which holders of Preferred Stock of any series may be entitled (which may be cumulative or noncumulative), the rights of holders of Preferred Stock of any series in the event of the liquidation, dissolution or winding up of the affairs of the Corporation and the rights (if any) of holders of Preferred Stock of any series to convert or exchange such shares of Preferred Stock of such series for shares of Common Stock or for shares of Preferred Stock of any other series or for shares of any other class of capital stock (including the determination of the price or prices or the rate or rates applicable to such rights to convert or exchange and the adjustments thereof, the time or times during which the right to convert or exchange shall be applicable and the time or times during which a particular price or rate shall be applicable).

Before the corporation shall issue any shares of Preferred Stock of any series, a certificate setting forth a copy of the resolution or resolutions of the Board of Directors fixing the voting powers, designations, preferences, the relative, participating, optional and other rights, and the qualifications, limitations and restrictions appertaining to the shares of Preferred Stock of such series, and the number of shares of Preferred Stock of such series authorized by the Board of Directors to be issued, shall be made under seal of the corporation and signed by the president or a vice-president and by the secretary or an assistant secretary of the corporation and acknowledged by such president or vice-president as provided by the laws of the State of Delaware and shall be filed and a copy thereof recorded in the manner prescribed by the laws of the State of Delaware.

No pre-emptive rights. No stockholder of this corporation shall have any pre-emptive or preferential right to purchase or subscribe to any shares of any class of this corporation now or hereafter to be authorized, or any notes, debentures, bonds or other securities convertible into, or carrying options or warrants to purchase, shares of any class now or hereafter to be authorized, whether or not the issue of any such shares or such notes, debentures, bonds or other securities would adversely affect the dividend or voting rights of such stockholder, other than such rights,

if any, as the board of directors in its discretion from time to time may grant and at such price as the board of directors in its discretion may fix; and the board of directors may issue shares of any class of this corporation, or any notes, debentures, bonds or other securities convertible into or carrying options or warrants to purchase shares of any class, or options to purchase shares of any class, without offering any such shares or securities or options, either in whole or in part, to the existing stockholders of any class.

FIFTH: The minimum amount of capital with which this corporation will commence business is one thousand dollars (\$1,000.).

The board of directors, without the assent of or other action by the stockholders, may from time to time authorize the issue and sale of shares of stock of this corporation now or hereafter authorized, for such consideration and upon such terms as the board may determine.

SIXTH: This corporation is to have perpetual existence.

SEVENTH: The private property of the stockholders shall not be subject to the payment of corporate debts.

EIGHTH: The following provisions are inserted for the regulation and conduct of the affairs of this corporation, and it is expressly provided that they are intended to be in furtherance and not in limitation or exclusion of the powers elsewhere conferred herein or in the by-laws or conferred by law:

(a) Except as may be otherwise expressly required by law or by other provisions of this certificate of incorporation or by the by-laws, the board of directors shall have and may exercise, transact, manage, promote and carry on all of the powers, authorities, businesses, objects and purposes of this corporation.

(b) Certain Provisions Relating to Nomination, Election and Removal of Directors.

1. Election of Directors. Elections of directors need not be by written ballot unless the by-laws shall so provide. No director need be a stockholder.
2. Number, Election and Terms of Directors. Except as otherwise fixed pursuant to the provisions of Article FOURTH hereof relating to the rights of the holders of any class or series of stock having a preference over the Common Stock as to dividends or upon liquidation to elect additional directors under specified circumstances, the number of directors of the Corporation shall be fixed from time to time by or pursuant to the by-laws. The directors, other than those who may be elected by the holders of any class or series of stock having preference over the Common Stock as to dividends or upon liquidation, shall be classified, with respect to the time for which they severally hold office, into three classes, designated Class I, Class II and Class III, as nearly equal in number as possible, with the term

of office of one Class expiring each year. At the annual meeting of stockholders in 1985, directors of Class I shall be elected to hold office for a term expiring at the next succeeding annual meeting, directors of Class II shall be elected to hold office for a term expiring at the second succeeding annual meeting, and directors of Class III shall be elected to hold office for a term expiring at the third succeeding annual meeting, with the members of each Class to hold office until their successors are elected and qualified. At each subsequent annual meeting of the stockholders of the Corporation, the successors to the Class of directors whose term expires at such meeting shall be elected to hold office for a term expiring at the annual meeting of stockholders held in the third year following the year of their election.

3. Stockholder Nomination of Director Candidates. Advance notice of nominations for the election of directors, other than by the Board of Directors or a Committee thereof, shall be given in the manner provided in the by-laws.
4. Newly Created Directorships and Vacancies. Except as otherwise fixed pursuant to the provisions of Article FOURTH hereof relating to the rights of the holders of any class or series of stock having a preference over the Common Stock as to dividends or upon liquidation to elect directors under specified circumstances, newly created directorships resulting from any increase in the number of directors and any vacancies on the Board of Directors resulting from death, resignation, disqualification, removal or other cause shall be filled solely by the affirmative vote of a majority of the remaining directors then in office, even though less than a quorum of the Board of Directors, or by a sole remaining director. Any director elected in accordance with the preceding sentence shall hold office for the remainder of the full term of the Class of directors in which the new directorship was created or the vacancy occurred and until such director's successor shall have been elected and qualified. No decrease in the number of directors constituting the Board of Directors shall shorten the term of any incumbent director.
5. Removal of Directors. Except as otherwise fixed pursuant to the provisions of Article FOURTH hereof relating to the rights of the holders of any class or series of stock having a preference over the Common Stock as to dividends or upon liquidation to elect directors under specified circumstances, any director may be removed from office without cause only by the affirmative vote of the holders of 66-2/3% of the combined voting power of the then outstanding shares of stock entitled to vote generally in the election of directors voting together as a single class.

(c) By-laws. The Board of Directors and the stockholders shall each have the power to adopt, alter, amend and repeal the by-laws; and any by-laws adopted by the directors or the stockholders under the powers conferred hereby may be altered, amended or repealed by the directors or by the stockholders; provided, however, that the by-laws shall not be altered, amended or repealed by action of the stockholders, and no by-law shall be adopted by action of the stockholders, without the affirmative vote of the holders of at least 66-2/3% of the voting power of all the shares of the Corporation entitled to vote generally in the election of directors, voting together as a single class.

(d) The board of directors may at any time set apart out of any of the funds of this corporation available for dividends a reserve or reserves for any proper purpose and may at any time reduce or abolish any such reserve. Any other proper reserves may also be carried.

(e) This corporation may purchase, hold, sell and transfer shares of its own capital stock, but shall not use its funds or property for the purchase of its own shares of capital stock when such use would cause any impairment of the capital of this corporation, subject always to the right of this corporation to reduce its capital or to redeem any preferred or special shares out of capital as permitted by law. Shares of its own capital stock belonging to this corporation shall not be voted upon directly or indirectly. The purchase, acquisition or holding by this corporation of shares of its own capital stock shall not be deemed to constitute the retirement of such shares or a reduction of capital except as such shares are formally retired or the capital is formally reduced in accordance with the provisions of law therefor.

(f) Nothing in this certificate of incorporation shall be deemed to prohibit the reissue of any shares of capital stock of this corporation retired or reduced upon or in connection with any reduction of capital, but upon the filing and recording of the certificate of reduction such shares shall have the status of authorized and unissued shares of the class of stock to which such shares belong, if and to the extent permitted by law. So far as permitted by law the stockholders or board of directors authorizing or effectuating any reduction of capital may determine the manner in which such reduction shall be effected and the extent, if any, to which any assets shall be distributed to stockholders, and except as and to the extent that such a distribution is so authorized or provided for, no stockholder shall be entitled to demand any distribution of assets in connection with or as the result of any reduction of capital.

(g) The board of directors may from time to time determine whether and to what extent and at what times and places and under what conditions and regulations the accounts and books and papers of this corporation, or any of them, shall be open to the inspection of the stockholders, and no stockholder shall have any right to inspect any account, book or document of this corporation, except as and to the extent expressly provided by law with reference to the right of stockholders to examine the original or duplicate stock ledger, or as otherwise expressly provided by law, or except as expressly authorized by resolution of the board of directors.

(h) The board of directors shall have the power to fix from time to time the compensation of its members. No person shall be disqualified from holding any office by reason of any interest. In the absence of fraud or bad faith, any director, officer or stockholder of this

corporation individually, or any individual having any interest in any concern which is a stockholder of this corporation, or any concern in which any such directors, officers, stockholders or individuals have any interest, may be a party to, or may be pecuniarily or otherwise interested in, any contract, transaction or other act of this corporation, and

- (i) such contract, transaction or act shall not be in any way invalidated or otherwise affected by that fact;
- (ii) no such director, officer, or stockholder shall be liable to account to this corporation for any profit or benefit realized through any such contract, transaction or act; and
- (iii) any such director of this corporation may be counted in determining the existence of a quorum at any meeting of the board of directors or of any committee thereof which shall authorize any such contract, transaction or act, and may vote to authorize the same,

provided, however, that any contract, transaction or act in which any director or officer of this corporation is so interested individually or as a director, officer, trustee or member of any concern which is not a subsidiary or affiliate of this corporation, or in which any directors or officers, respectively, are so interested as holders, collectively, of a majority of shares of capital stock or other beneficial interest at the time outstanding in any concern which is not a subsidiary or affiliate of this corporation, shall be duly authorized or ratified by a majority of the board of directors who are not so interested and to whom the nature of such interest has been disclosed. With respect to the matters herein contained,

- (a) the word “interest” shall include personal interest and interest as a director, officer, stockholder, shareholder, trustee, member or beneficiary of any concern;
- (b) the word “concern” shall mean any corporation, association, trust, partnership, firm, person or other entity other than this corporation; and
- (c) the phrase “subsidiary or affiliate” shall mean a concern in which a majority of the directors, trustees, partners or controlling persons are elected or appointed by the directors of this corporation, or are constituted of the directors or officers of this corporation.

To the extent permitted by law, the authorizing or ratifying vote of a majority in interest of each class of the capital stock of this corporation outstanding and entitled to vote for directors at an annual meeting or a special meeting duly called for the purpose (whether such vote is passed before or after judgment rendered in a suit with respect to such contract, transaction or act) shall validate any contract, transaction or act of this corporation, or of the board of directors or any committee thereof, with regard to all stockholders of this corporation, whether or not of record at the time of such vote, and with regard to all creditors and other claimants under this corporation, provided, however, that with respect to the authorization or ratification of contracts, transactions

or acts in which any of the directors, officers or stockholders of this corporation have an interest, the nature of such contracts, transactions or acts and the interest of any director, officer or stockholder therein shall be summarized in the notice of any such annual or special meeting, or in a statement or letter accompanying such notice, and shall be fully disclosed at any such meeting, and provided also that stockholders so interested may vote at any such meeting, and provided further that any failure of the stockholders to authorize or ratify such contract, transaction or act shall not be deemed in any way to invalidate the same or to deprive this corporation, its directors, officers or employees of its or their right to proceed with such contract, transaction or act.

No contract, transaction or act shall be avoided by reason of any provision of this clause (h) which would be valid but for those provisions.

(i) The Corporation shall indemnify each person who is or was a director or officer of this Corporation against expenses (including attorney's fees), judgments, fines and amounts paid in settlement to the maximum extent permitted from time to time under the General Corporation Law of the State of Delaware. Such indemnification shall not be exclusive of other indemnification rights arising under any by-law, agreement, vote of directors or stockholders or otherwise and shall inure to the benefit of the heirs and legal representatives of such person.

(j) [omitted].

(k) Stockholder Action. Any action required or permitted to be taken by the stockholders of the Corporation, or any class or series thereof, must be effected at a duly called annual or special meeting of such holders and may not be effected by any consent in writing by such holders. Except as otherwise required by law and subject to the rights of the holders of any class or series of stock having a preference over the Common Stock as to dividends or upon liquidation, special meetings of stockholders of the Corporation may be called only by the Chairman of the Board, the President or the Board of Directors pursuant to a resolution approved by a majority of the entire Board of Directors.

(l) Certain Amendments, etc. Notwithstanding anything contained in this Certificate of Incorporation to the contrary, the affirmative vote of the holders of at least 66-2/3% of the voting power of all shares of the Corporation entitled to vote generally in the election of directors, voting together as a single class, shall be required to alter, amend, adopt any provision inconsistent with, or repeal, paragraphs (b), (c), (k) or this paragraph (l) of this Article EIGHTH or any provision hereof or thereof.

(m) A director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the Delaware General Corporation Law, or (iv) for any transaction from which the director derived an improper personal benefit. If the Delaware General Corporation Law is amended after approval by the stockholders of this provision to

authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of the Corporation shall be eliminated or limited to the full extent permitted by the Delaware General Corporation Law, as so amended.

Any repeal or modification of the foregoing paragraph by the stockholders of the Corporation shall not adversely affect any right or protection of a director of the Corporation existing at the time of such repeal or modification.

NINTH: Subject to the applicable provisions (if any) of this certificate of incorporation, this corporation reserves the right to amend, alter, change, add to or repeal any provision contained in this certificate of incorporation, in the manner now or hereafter prescribed by law.
